QS Stars is one of the world's most
trusted university rating systems

Official QS Certification

Rated for Excellence Swiss International Management Academy

Through rigorous and independent data collection and analysis of performance metrics as set out in the QS Stars™ methodology Swiss International Management Academy has been awarded 4 Stars in Online Learning.

ONLINE LEARNING

The QS Stars™ rating system evaluates universities across a wide spectrum of important performance indicators as set against pre-established international standards. By assessing a broader scope of criteria than any world ranking exercise, QS Stars™ illuminates the unique strengths and diversity of the rated institution with both precision and clarity.

Leigh Kamolins, Head of Evaluation

MBA Overview

The MBA program at SIMA is designed to develop strong managerial, leadership, and strategic capabilities among aspiring professionals and working executives. The program covers key business areas such as Finance, Marketing, Human Resource Management, and Operations, with a focus on practical and industry-oriented learning.

With a flexible learning approach supported by LMS access, the program enables students to balance their studies with professional commitments while building the skills required to grow into effective business leaders.
